1. In a letter dated 2 April 1982 (Att 1) Under Secretary Buckley requested that we try to arrive at a common understanding with the Versailles Summit countries about the Soviet economy and hard-currency requirements. Action has been taken to satisfy this request and the proposed reply to Under Secretary Buckley is attached (Att 2).

2. In the letter to Under Secretary Buckley, mention is made of a comprehensive CIA study now being carried out in a briefing for him and members of his mission to Europe on that study. That briefing will be held Thursday, 15 April, at 1030 in Room 7D32. You may wish to attend. We have already had several meetings, both internal and with policy agencies, about the study. We will have a run-through of the latest findings on Wednesday morning. [redacted] and I could bring you up to date on those findings Wednesday afternoon, that is prior to the briefing for Under Secretary Buckley.
